

8. EDUCATION MATERIAL TO SCHOOLS

The schools are always in need of good reading material for improvement and suggestions on innovations. Such a kind of reading material was found to be compiled in a Diwali Special Issue of daily 'UDYACHA MARATHWADA', including the articles of eminent educationists, office bearers and former as well as working education ministers. The material if made available to teachers, may inculcate better passion and modus of imparting education in rural area. Hence, 10 schools in rural area were gifted with issues of this important reading material, based on education and education methods.
